Our 4M got that
chance to visit there.**

ZSA

It is just a start of Us

- Dissemination of knowledge to school students on environmental day.
- Our Tea Party
- One ZSA member represent the panel on the Environmental day in University of Colombo
- Awareness & introduction to Solid waste management plan in UOJ, especially for polythene and plastic.

She came all the way from UK and Join with us to complete her research project as part of her MSc immunology of Infectious Diseases at London School of Hygiene and Tropical medicine On “The immune gene expression of *aAdes aegypti* infected by locally isolated soil borne fungi and bacteria by micro injections in Sri Lanka”

Two new Junior Staff were recruited to the FAMILY of Our Department

We wish to thank them for their support in the past and wish them well in succeeding as the Academic staff of our Department & the University as well.

HEARTFUL CONGRATULATIONS TO YOU BOTH & HOPE FOR THE BEST FROM YOU BOTH IN FUTURE

Any how This is the time to AWAKE,
Our Heartful Condolences to Great Barrier Reef (25 Million BC-2016)

The Great Barrier Reef of Australia passed away in 2016 after a long illness. It was 25 million years old.
